Dear Member,

Chartered Engineer Certificate from The Institution of Engineers (India)

Greetings from The Institution of Engineers (India)

The growth of The Institution of Engineers (India) [IEI] is inextricably linked with advancement of Indian engineering over nine decades since 1920, contributing immensely towards societal development. IEI weaves a fabric of common fellowship for all those who are professionally engaged in the vast range of engineering science and technology in the country. In recognition of valuable services for the cause of advancement of engineering, the Institution was bestowed with the Royal Charter in 1935.

IEI, a multi-disciplinary engineering body, has 123 State and Local Centres with a membership strength of over 2 Lakhs Corporate Members and 6 Lakhs Student Members with six Overseas Chapters and Bilateral relationship with 33 sister professional societies of international repute.

In recognition of your contribution in the field of engineering and technology we are privileged to have you as a Corporate Member of IEI.

You would be aware that IEI awards Chartered Engineer Certification for our Corporate Members. The key privileges of Chartered Engineer are highlighted below:-

- ❖ As Valuer, Consultant, Loss Assessor in various financial Institutions like Bank, Insurance Companies etc. in India/abroad.
- ❖ Technical knowledge partner to High Courts, Central Excise and Customs and other similar govt concerns.
- ❖ As an advisor to Export Promotion Capital Goods (EPGC), Solar Power Developers (SPD) etc.
